

One World.  Made Better.™

Coupa Supplier Portal
Supplier Manual
March 3, 2022

Introduction to Coupa Supplier Portal (CSP)

- HOME** - on the **Home** page you can see the information about your company
- PROFILE** - in the **Profile** section you can configure your profile. Your profile can be set up as public or customized for each Customer separately
- ORDERS** - in the **Orders** section you can find the Orders you receive, organized by Customer
- INVOICES** -in the **Invoices** section you can view all created invoices and verify their current status

Two-Factor Authentication

Beginning in May of 2023, you **must** enable two-factor authentication for additional security. The Coupa supplier portal will now require you to use two-factor authentication to access their data in the CSP, such as:

- Legal entity
- bank details
- Remit to addresses
- Manage accesses and assign permissions to new and existing users.

*you can enable it for every time you login into your account, this is optional

The screenshot shows the 'coupa supplier portal' interface. At the top, there's a navigation bar with links: Home, Profile, Orders, Service/Time Sheets, ASN, Invoices, Catalogs, and Business Performance. On the right, there's a user profile section for 'KATIA' with a 'NOTIFICATIONS' icon showing 6 alerts. A dropdown menu is open, showing 'Account Settings', 'Notification Preferences', and 'Log Out'. The main content area is titled 'My Account' and 'Security & Two-Factor Authentication'. On the left, there's a sidebar with 'Settings', 'Notification Preferences', and 'Security & Two-Factor Authentication' (which is highlighted). The main content area has a section for 'Two-Factor Authentication' with two radio button options: 'Enable only for Payment Changes (Required for changing Legal Entity or Remit-To)' (which is selected) and 'Enable for Both Account Access (Login) and Payment Changes'. Below this, there's a section for 'Via Authenticator App' which is 'Enabled'. It includes a checkbox for 'Enabled' (checked) and a description: 'Using an Authenticator App available from your mobile phone app store'. There's a link to 'Change Authentication App'. Below that, there's a section for 'Via SMS' which is 'Disabled'. It includes a checkbox for 'Enable' (unchecked) and a description: 'Using SMS, a code will be sent to your mobile phone number. Enter verification code when prompted and select OK. SMS rates apply.' At the bottom, there are two buttons: 'Show Recovery Codes' and 'Regenerate Recovery Codes'.

Two-Factor Authentication

To enable two-factor authentication, click on account settings under your username, it will take you to **My Account page** then click on **Security & Two-Factor Authentication** link on the **My Account page**.

When you enable two-factor authentication, you can choose from the following options:

- ✓ For Payment Changes (Required for Changing Legal Entity or Remit-To)
- ✓ For both account access (login) and payment changes

Depending on how you want to receive the verification codes, you can select one of the following options, and set your preference as the default:

Via Authenticator App to use an authenticator app available from the app store on your mobile phone.

OR

Via Text Message to use a code sent via text message to your phone number.

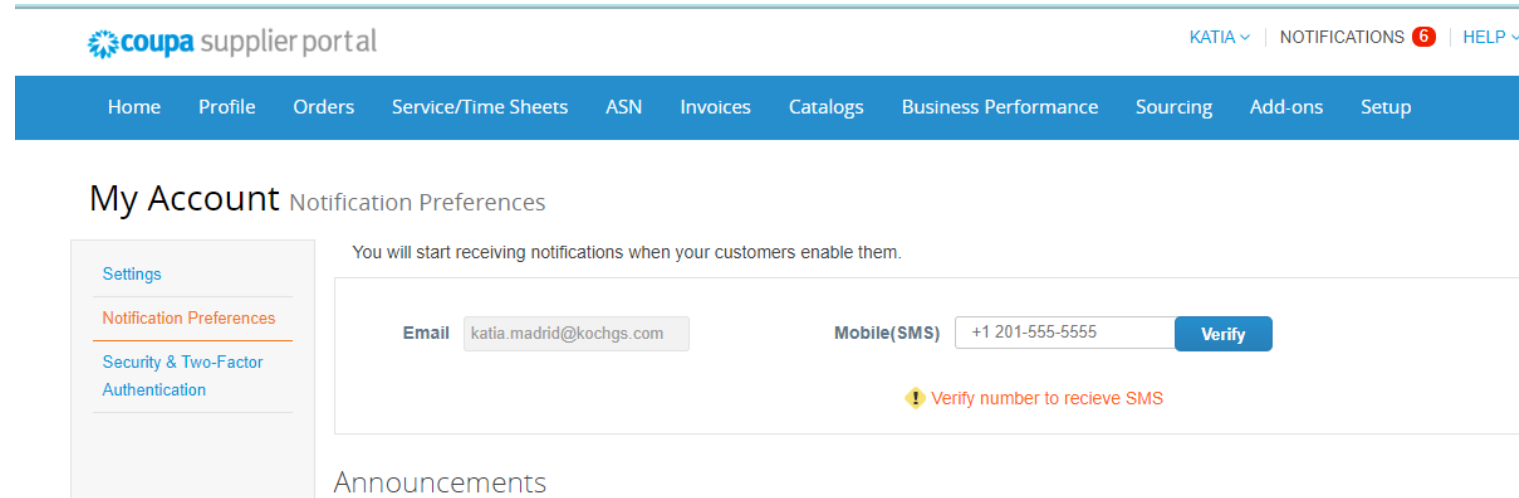

The screenshot shows the Coupa Supplier Portal interface. At the top, there's a navigation bar with the Coupa logo and 'supplier portal' text. Below this is a blue navigation menu with links: Home, Profile, Orders, Service/Time Sheets, ASN, Invoices, Catalogs, and Business Performance. On the right side of the navigation bar, there's a user profile dropdown for 'KATIA' with a 'NOTIFICATIONS 6' badge. The dropdown menu includes 'Account Settings', 'Notification Preferences', and 'Log Out'. The main content area is titled 'My Account Security & Two-Factor Authentication'. On the left, there's a sidebar with 'Settings' and 'Notification Preferences' links, and 'Security & Two-Factor Authentication' is highlighted. The main content area is titled 'Two-Factor Authentication'. It has two radio button options: 'Enable only for Payment Changes (Required for changing Legal Entity or Remit-To)' (selected) and 'Enable for Both Account Access (Login) and Payment Changes'. Below these, there are two sections: 'Via Authenticator App Enabled' and 'Via SMS Disabled'. The 'Via Authenticator App' section has a checkbox labeled 'Enabled' which is checked, with the text 'Using an Authenticator App available from your mobile phone app store' and a 'Change Authentication App' link. The 'Via SMS' section has a checkbox labeled 'Enable' which is unchecked, with the text 'Using SMS, a code will be sent to your mobile phone number. Enter verification code when prompted and select OK. SMS rates apply.' At the bottom of the page, there are two buttons: 'Show Recovery Codes' and 'Regenerate Recovery Codes'.

Two-Factor Authentication via text message

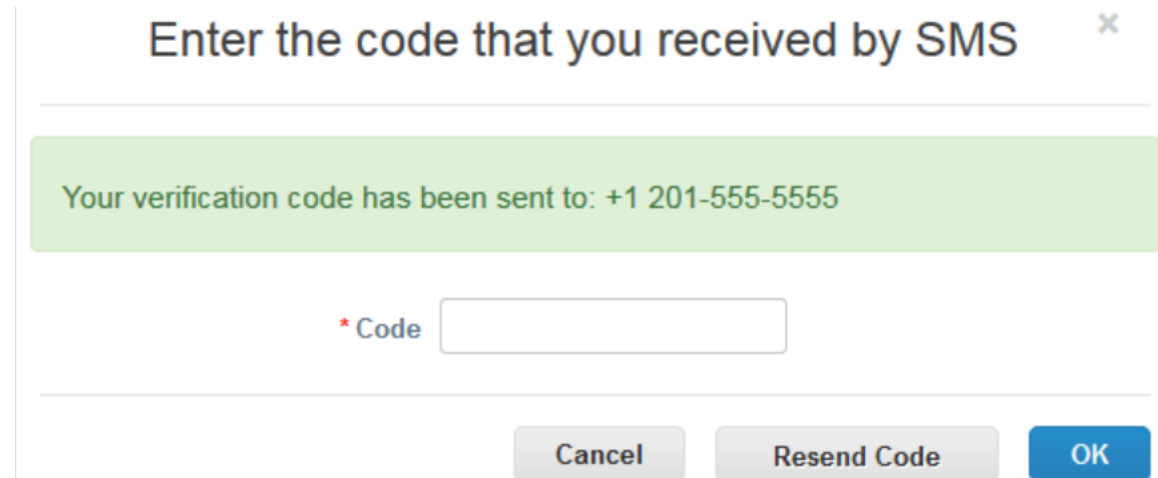

if you want to receive text message (SMS) notifications or verification codes, you **must** enter and validate your phone number under My Account > Notification Preferences.

After you verify your phone number, enter the verification code in the pop-up window.

Once successful validation, you receive the verification codes in text messages

The screenshot shows the 'coupa supplier portal' header with the user 'KATIA' and a notification badge with the number '6'. The navigation bar includes links for Home, Profile, Orders, Service/Time Sheets, ASN, Invoices, Catalogs, Business Performance, Sourcing, Add-ons, and Setup. The 'My Account' section is active, with 'Notification Preferences' selected in the left sidebar. The main content area shows a message: 'You will start receiving notifications when your customers enable them.' Below this, there are input fields for 'Email' (katia.madrid@kochgs.com) and 'Mobile(SMS)' (+1 201-555-5555), with a 'Verify' button next to the mobile number. A warning icon and text state: 'Verify number to receive SMS'. Below the verification fields is an 'Announcements' section.

The screenshot shows a pop-up window titled 'Enter the code that you received by SMS' with a close button (X) in the top right corner. Inside the window, a green message box states: 'Your verification code has been sent to: +1 201-555-5555'. Below this, there is a label '* Code' followed by an empty input field. At the bottom of the window, there are three buttons: 'Cancel', 'Resend Code', and 'OK'.

Two-Factor Authentication via Authenticator App

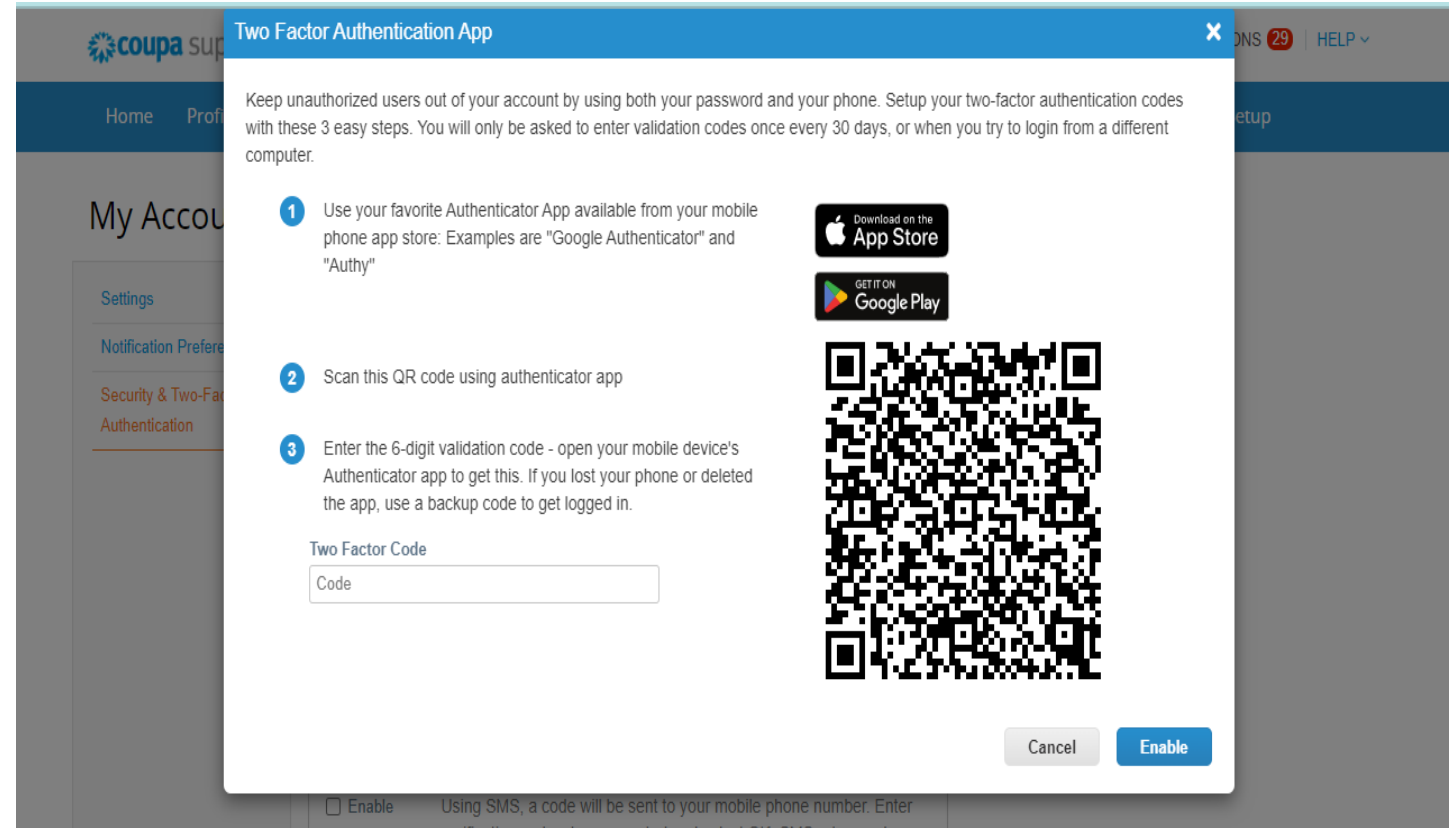

For the authentication via app, you will need to download an additional app on your phone, through your app store or google play store,

You can choose between available apps; we recommend you these two:

✓ “google authenticator” and “authy”

Once you have the app:

1. Open the app
2. Scan the QR code using the app
3. Enter the 6-digit validation code
4. Click enable.

Two-Factor Authentication via Authenticator App

The portal will give you back up codes in case you lost, delete the app, or changed your phone,

Print this backup codes or email them to yourself before you click OK.

Note

You can only use a recovery code once, so refresh your list if you must use a recovery code. Go to Account Settings > Security & Two-Factor Authentication and

click **Regenerate Recovery Codes** to get a new list of codes.

! **IMPORTANT:**

- ! THE USE OF THE CSP IS COMPLETELY **FREE**. YOU DON'T HAVE TO PAY ANYTHING TO REGISTER, HAVE ACCESS TO YOUR POs, INVOICES, etc. ,
- ! Right now, the portal is offering to get your profile verified with an additional cost. This is totally optional. We, Guardian/SRG don't require this verification.
- ! Starting May 2023, two-factor authentication will be **mandatory** for viewing or making changes to the legal entity, remit to address or bank account information on the CSP. Besides the mentioned accounts, the rest remains same as before. (for more information visit pages 3-7)

Registering to Coupa Supplier Portal

To register to Coupa Supplier Portal, click the **Join Coupa** button which you will find in the email sent to you from the Portal:

Guardian Industries Registration Instructions - Action Required

Powered by

hello GLASS- [redacted] CO-C1311589,

You have been identified as a supplier who would benefit from our Coupa Supplier Portal. This provides the ability for us to share electronic documents with regard to PO delivery and invoice submission. Guardian has launched this process in January 2020. Within the next 48 hours, please click the button below to register your account with us. If you are not the right person to receive this communication, please send this request to the appropriate person by using the forward link.

If you are unable to register for any reason or have questions regarding CSP (Coupa Supplier Portal) or Coupa in general please reach out to our Supplier Enablement Team at accounts payable@guardian.com and put 'COUPA' in the subject line.

Jeksandra Pozniak
Guardian Industries

You can forward the invitation to another person who will be responsible for registering your company to CSP; just click the **Forward this invitation** button and provide that person's details.

After clicking the button, you will see the registration form. Please, fill in your name, surname, create a password, accept the Privacy Policy and Terms of Use. Your company name and email will already be populated. Then click the **Get Started** button.

Create your business account

Guardian Industries is using Coupa to transact electronically and communicate with you. We'll walk you through a quick and easy setup of your account with Guardian Industries so you're ready to do business together.

Introduction to Coupa Supplier Portal (CSP)

- HOME** - on the **Home** page you can see the information about your company
- PROFILE** - in the **Profile** section you can configure your profile. Your profile can be set up as public or customized for each Customer separately
- ORDERS** - in the **Orders** section you can find the Orders you receive, organized by Customer
- INVOICES** -in the **Invoices** section you can view all created invoices and verify their current status

Introduction to Coupa Supplier Portal (CSP)

SETUP - the most frequently used options in this tab are:

- User management – managing users' permissions and accesses;
- Legal entity setup;
- Payment preferences setup

You can change the language at the bottom of each page:

Notifications

NOTIFICATIONS – You can set your notifications preferences in the top right corner by clicking in your username, then notification preferences. window:

The screenshot shows the Coupa Supplier Portal interface. At the top, the user 'KATIA' is logged in, with a 'NOTIFICATIONS 40' badge and a 'HELP' link. The navigation bar includes links for Home, Profile, Orders, Service/Time Sheets, ASN, Invoices, Catalogs, Business Performance, and Setup. A dropdown menu is open under the user name, showing 'Account Settings', 'Notification Preferences' (highlighted), and 'Log Out'. Below the navigation bar, the 'My Account' section is active, with 'Notification Preferences' selected in the left sidebar. The main content area shows a progress bar and a message: 'You will start receiving notifications when your customers enable them.' Below this, there are two sections: 'Announcements' and 'Business Performance'. Each section has a table of notification preferences.

Notification Type	Online	Email	SMS
New Customer Announcement	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Notification Type	Online	Email	SMS
Business Performance Role Granted	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

To receive notifications about a particular action, check the relevant box in the **Online** (to receive notifications in CSP) or **Email** column, or if you have a cellphone number added in the portal you can also receive notifications via SMS. **If no option is selected, then no notification will be sent.**

To save your settings, click **Save**

Users

The **Admin** section, which is located under the **Setup** tab, provides a list of users who have access to Coupa Supplier Portal. In this section you can deactivate users, invite new users and configure the accesses of current users.

Legal Entity Setup

To setup a legal entity, go to the **Legal Entity Setup** option. Then click **Add Legal Entity** and fill in all the fields marked with a red asterisk.

The screenshot shows the Coupa Supplier Portal interface. At the top, there's a navigation bar with links: Home, Profile, Orders, Service/Time Sheets, ASN, Invoices, Catalogues, Business Performance, Sourcing, Add-ons, and Setup. Below this is a sub-navigation bar with Admin, Customer Setup, and Connection Requests. The main content area is titled 'Admin Legal Entity Setup'. On the left, there's a sidebar with links: Users, Merge Requests, and Legal Entity Setup (highlighted in red). On the right, there's a table with the heading 'Legal Entity'. The table has two rows, each with a red asterisk in the first column and an 'Actions' button in the second column. The first row's first column is empty, and the second row's first column contains the text 'Legal Entity Name'.

Where's your business located?

On the first page enter the Legal Entity Name and Country, and then click the **Continue** button.

Setting up your business details in Coupa will help you meet your customer's invoicing and payment requirements. For best results with current and future customers, complete as much information as possible.

* Legal Entity Name

Country/Region

This is the official name of your business that is registered with the local government and the country/region where it is located.

In the next window, you need to fill in the address from which the invoices will be issued, as well as indicate whether the address provided is used for remittances or as a sender address. Unchecking these options allows you to add other addresses. Please make sure to allow Guardian to see these addresses.

Tell your customers about your organisation

REQUIRED FOR INVOICING

Enter the registered address of your legal entity. This is the same location as where you receive government documents.

☒ Use this address for Remit To

☒ Use this for Ship-From address

It is also mandatory to enter your Tax ID number and country of registration. In the **Miscellaneous** section you can select your preferred language. After updating all the fields, save the data by clicking the **Save & Continue** button.

Note: no need to fill out the *invoice-from code*

After approving the changes, a message will appear on the screen indicating that the created legal entity can be used in the invoice creation process.

Congratulations!

This legal entity can now be used on new invoices.

To get paid – Most customers require that you send them this payment info in in addition to providing it on the invoice. i

Click on the Profile Tab to see if your customer has a form that collects payment information.

Otherwise, you'll have to send it to them through another channel.

PO lines

It's important to review that the correct purchase order lines are selected in each line. As well as filling the Bill of lading in each line with your internal folio and at the HEADER level, IN THE TOTALS section choose the appropriate tax rate from the “**VAT Description**” dropdown.

(if you are tax exempt you can choose “exempt”)

When complete, select “**Calculate**” to see the gross value of the invoice.

When are finished, select “**Submit**”. (Remember that the total amount in orders doesn’t include taxes. Those are calculated separately when creating the invoices)

Disputed Invoices

When an invoice has been disputed, the supplier must take action to correct it. You can find additional information in the comment section. If a credit note is issued regarding a problem with an invoice or goods shipped, choose the relevant invoice by using the **Resolve issue for invoice number** option from the drop-down list.
